*Ensuring Public Safety for the 21<sup>st</sup> Century*

## **Ad Hoc Committee Charter**

### **Risk Assessment Ad Hoc Committee**

**Date:** May 17, 2017

**Membership:** Jeremiah Stromberg (OR), Chair  
Nancy Ware (DC)  
Alisha James (TN)  
Russell Marlan (MI)  
Steve Marshall (CA)  
Robert Maccarone (NY)

### **Charge of Committee**

In the interest of enhancing public safety, the Commission wishes to reassess the feasibility of incorporating the use of the principles of effective classification which includes risk, need, responsivity, and professional discretion in the interstate compact transfer process. Specifically, the Commission directs the Committee to consider the following:

1. Determine the requirements for a standard tool for compact use or identify a single risk assessment for use with interstate compact transfer cases.
2. Determine how such a tool can be implemented to the interstate process.
3. Address any concerns regarding the reliability of using a risk assessment as part of the interstate compact transfer process.
4. Determine the feasibility of promulgating rules incorporating the use of risk assessment principles. If yes, prepare a draft of the rules for the rule committee's consideration.

**Date of Completion:** TBD

### **Means of Reporting to the Commission:**

The chair of the ad hoc committee will present the committee's findings in writing to the Executive Committee and at the Annual Business Meeting.
